### Pricing

I have given the price of the smallest and largest size. I can make any item in between these sizes as well. Please do not hesitate in contacting me if you require more specific or bespoke measurements and prices.

All measurements are approximate but within 1 - 2 cms.

### Willow

All items are available in stripped and unstripped willow.

Unstripped willow is the term used for willow with the bark on, so it comes in a beautiful range of natural colours, however I cannot guarantee these colours. It is only possible to confirm that I can make a basket in one colour or more.

Stripped willow is willow with the bark stripped off, so it is white at first and in time dulls down to a natural blonde colour.

The images in this catalogue are of my basic range. I work within the parameter of a 3 - 6 month waiting list.
